

Vancouver School Board International Education Program

INSTRUCTIONS FOR APPLICATION COMPLETION

Translated brochures and application forms are provided for reference only. The Vancouver School Board always follows the policies and definitions as stated in the English version of brochures and application forms.

Application Requirements

Submit the following required items to apply:

1. A completed application form
2. All original transcripts/school records from the **current year** and the **last two years** (in English). NOTE: Photocopies of transcripts and school records **must be certified** with a school stamp. Failure to comply will result in a delay or a return of the application
3. Non-refundable application fee of CDN\$200.00 payable by VISA, Master Card, cheque or money order to the Vancouver School Board

Admission Criteria

Acceptance into the International Education Program is by invitation and is based on overall academic achievement. Each applicant's acceptance into the International Education Program and subsequent placement in a school will be determined by:

- (a) the applicant's educational background and present academic standing as indicated on the transcripts/school reports.
- (b) the availability of space in the International Education Program.

Apply as early as possible, because space in the International Education Program is limited, and processing international applications requires several weeks. All applicants will be acknowledged and applicants will normally be advised within 10 working days whether or not they have been offered placement in a Vancouver school.

Registration and Orientation

All accepted and confirmed students will be required to register at the international education office prior to school attendance. Students will attend an orientation and assessment, and course selection and timetabling will occur. Students commencing school studies in September should plan to arrive in Vancouver in mid-August.

Schools

Many schools in the Vancouver public school district accept international students. A brochure that contains profiles of all secondary schools is available from the international office. Elementary school placement is limited to appropriate programs and grade level availability.

Applicants may indicate a preference for a particular school or schools, or may ask the VSB to place them in appropriate schools. The VSB will try to accommodate the applicant's preference for placement, provided that the requested school has space and an appropriate program. The Vancouver School Board reserves the right to make the final decision regarding the applicant's school and program placement.

Grade Placement

The VSB will place the student into the final appropriate grade upon reviewing the student's age and transcripts, according to the student's age-grade correlation as follows:

Elementary: K 1 2 3 4 5 6 7
Secondary: 8 9 10 11 12

Grade placement based on age of the student as of December 31.

Grade	K	1	2	3	4	5	6	7	8	9	10	11	12	Adult
Age	5	6	7	8	9	10	11	12	13	14	15	16	17	18+

School Placement

Placement of international students is subject to assessment by Board officials and is subject to available and appropriate spaces and programs in schools. Students will normally be placed in age appropriate grades. Students 18 years of age or older are normally placed in adult education centres.

International students will be placed in a regular academic program and may receive English Language Learning support based on assessment results and available programs. International students are not eligible for designated programs and services (e.g. special education or restricted enrollment programs) or alternate programs. If students are found to have special needs after enrollment in the program, the Board will not be able to accommodate those needs and the student must withdraw.

入学手続きとオリエンテーション

入学が決定した留学生は、学校に通い始める前に留学生事務局で登録手続きをしてください。生徒は学校のオリエンテーションと審査を受け、コースを選択して時間割をつくります。9月入学の生徒は、8月中旬にバンクーバーに到着するようにしてください。

学校

バンクーバー教育委員会の多くの公立校で、留学生を受け入れています。すべてのセカンダリー・スクール（中学・高校）のプロフィールを掲載したパンフレットが、留学生事務局から入手できます。小学校への入学は、一部の学年やプログラムに限られます。

入学する学年

バンクーバー教育委員会では、生徒の年齢と成績を考慮し、以下の表に従って入学する学年（グレード）を決定しています。

小学校: K 1 2 3 4 5 6 7 (グレード)
中学・高校: 8 9 10 11 12 (グレード)

1 2月3 1日現在の年齢と入学する学年(グレード)

入学する学校は、教育委員会による審査と、学校とプログラムの空き状況をもとに決定します。通常、生徒の年齢に合った学年に入学します。18歳以上の生徒は、通常、成人教育センターに入ります。

留学生は、通常の授業に出席しますが、英語力の評価の結果、そして、開講されているプログラムによっては、英語学習のサポートが受けられます。留学生が受けられないプログラムやサービス(特別教育や受講制限のあるプログラムなど)があるので注意してください。また、入学後に特別なサポートが必要だとわかった場合は、対応することができないので、入学不可になることがあります。

Short Term Program

The Vancouver School Board also offers short term school programs of 3 to 8 months, depending on available spaces, that introduce international students to Canadian school life. The application fee for short term programs is C\$200 and tuition fee is \$1400 per month. International students normally will not achieve academic credits as a full academic school year cannot be completed. Short-term programs must include either September or June.

Homestay Accommodation

The Vancouver School Board offers international students aged 13 and over the option to live with a Canadian family while enrolled in a Vancouver public school through our partner, Langara College Homestay. An information package will be sent to the student once the student is accepted into the program. If you do not have a custodian, you can request that your host parent be your custodian.

Custodian

Secondary School Applicants:

Parents of all secondary students are required to appoint a custodian 25 years of age or older, in the Vancouver area, who will take responsibility for their child and will ensure that his or her accommodation and other living necessities such as food, clothing and transportation are provided. Students must live with a responsible adult who is their custodian or their homestay parent. If you do not know anyone living in the Vancouver area who can act as custodian, the Vancouver School Board has made a special arrangement with homestay providers to act as custodians for students, if requested. Accordingly please indicate on this application form that you request a host family placement from Langara College Homestay.

Elementary School Applicants:

All elementary students must live with a parent or immediate adult family member: grandparent, aunt or uncle while studying in the Vancouver school district.

Study Permit

Applicants must obtain a study permit before leaving their country of residence to attend school in the Vancouver public school district. It is the responsibility of the applicant to obtain a study permit from the Canadian Embassy, or Canadian Consulate **in the country where the applicant resides**. Please consult the Embassy office for detailed information.

Health and Accident Insurance

Comprehensive health and accident insurance is mandatory in British Columbia. Every international student must have this coverage while studying in Vancouver. International students are entitled to medical and hospital benefits through the government Medical Services Plan (M.S.P.). It is the Vancouver School Board's requirement that its international education program administer registration of provincial medical insurance coverage for all students enrolled in the International Education Program. The annual payment is assessed and paid with the tuition fee. Private medical insurance will be provided for the first three months and for additional health insurance coverage, as needed.

INTERNATIONAL PROGRAM PARTICIPATION AGREEMENT

Applicant Student and Parent(s)

Please review this document carefully. This document creates a legally binding agreement for participation in the Vancouver School District's International Program.

Introduction:

The Board of Education of School District No. 39 (Vancouver) (the "School District"), wishes to provide a challenging and exciting program to students studying in our International Program. This Agreement sets out the terms on which a student is accepted into the program and the obligations on those students and their families.

When this agreement is binding:

This Agreement is not binding upon the School District until it is signed by a parent or custodian of the student and the student applying for admission, is accepted by the School District and an offer of admission is made to the student by the School District, and all fees are paid.

Placement

1. While the School District takes into consideration requests for placement at a particular school, the final decision on any placement is determined solely by the School District, taking into account space availability and the appropriate program for the student based on the School District's assessment.
2. The School District's designated programs are open to qualified local students first, and to qualified international students, depending on available space.
3. The School District reserves the right to:
 - a. withdraw the student from the program, if the student's educational needs are greater than disclosed on the application;
 - b. withdraw the student from the program if the student develops health concerns;
 - c. withdraw the student if the student is found to have special educational needs, social or emotional needs, after enrollment in the program.

What I am agreeing to:

1. I agree that as a condition of participating in the School District's International Program that my child:
 - a. must comply with the laws of Canada and British Columbia;
 - b. must comply with the School and School District Rules, Policies and Code of Conduct;
 - c. must comply with the School District network and Internet Appropriate Use and Privately Owned Electronic Devices Appropriate Use Policies;
 - d. must comply with the terms of this International Student Agreement;
 - e. must not use drugs or alcohol;
 - f. must, if the student is participating in a Langara College Homestay, comply with all terms of the Homestay Agreement, and obey family rules and show respect for members of the Homestay family;
 - g. must not change Homestay arrangements without the consent of the Administrator of International Programs;

T: 1.604.713.4534 F: 1.604.713.4536
E: intered@vsb.bc.ca W: <http://intered.vsb.bc.ca>

- h. must attend all registered classes in the International Program, unless unable by reason of illness or injury to do so and must provide a note from a Parent, custodian or Homestay family for any absences;
- i. must not withdraw from courses without consent of school officials, and may not substitute in-class courses for the equivalent online courses;
- j. must complete homework as assigned;
- k. must not travel outside of Metropolitan Vancouver unless accompanied by an adult of at least 25 years of age; and
- l. maintain an up-to-date Citizenship and Immigration Canada Study Permit.

Custodian and Living Arrangements

2. I understand that students aged 13 years or older are not permitted to live independently while enrolled in the program. I agree to appoint a custodian over 25 years of age in the Vancouver area who will take responsibility for my child and will ensure that his/her accommodation and other living necessities such as food, clothing and transportation are provided. Students must live with a responsible adult who is their custodian or their homestay parent. Students will follow and respect homestay family household rules and property.

I agree that the School District reserves the right to withdraw the student if the accommodation arrangements are unsatisfactory.

I understand that international students aged 12 years or younger are accepted only if the following conditions are satisfied:

- a. A parent must accompany the student, reside full-time in Vancouver, and provide care and custodianship for the student. If the parent(s) must leave Vancouver (i.e. return to home country) while the student is enrolled in the international education program, the student must go with them.
- b. If requested, the School District will permit students under the age of 13 to reside with a direct relative. The School District defines direct relative to mean that the parent(s) are related to the individual by bloodline or by marriage. If the student is to be cared for by a relative as defined above, then the parent(s) and the relative must provide the School District with documents stating that the relationship is in compliance with this policy.
