

Vancouver School Board International Education Program

INSTRUCTIONS FOR APPLICATION COMPLETION

Translated brochures and application forms are provided for reference only. The Vancouver School Board always follows the policies and definitions as stated in the English version of brochures and application forms.

Application Requirements

Submit the following required items to apply:

1. A completed application form
2. All original transcripts/school records from the **current year** and the **last two years** (in English). NOTE: Photocopies of transcripts and school records **must be certified** with a school stamp. Failure to comply will result in a delay or a return of the application
3. Non-refundable application fee of CDN\$200.00 payable by VISA, Master Card, cheque or money order to the Vancouver School Board

Admission Criteria

Acceptance into the International Education Program is by invitation and is based on overall academic achievement. Each applicant's acceptance into the International Education Program and subsequent placement in a school will be determined by:

- (a) the applicant's educational background and present academic standing as indicated on the transcripts/school reports.
- (b) the availability of space in the International Education Program.

Apply as early as possible, because space in the International Education Program is limited, and processing international applications requires several weeks. All applicants will be acknowledged and applicants will normally be advised within 10 working days whether or not they have been offered placement in a Vancouver school.

Registration and Orientation

All accepted and confirmed students will be required to register at the international education office prior to school attendance. Students will attend an orientation and assessment, and course selection and timetabling will occur. Students commencing school studies in September should plan to arrive in Vancouver in mid-August.

Schools

Many schools in the Vancouver public school district accept international students. A brochure that contains profiles of all secondary schools is available from the international office. Elementary school placement is limited to appropriate programs and grade level availability.

Applicants may indicate a preference for a particular school or schools, or may ask the VSB to place them in appropriate schools. The VSB will try to accommodate the applicant's preference for placement, provided that the requested school has space and an appropriate program. The Vancouver School Board reserves the right to make the final decision regarding the applicant's school and program placement.

Grade Placement

The VSB will place the student into the final appropriate grade upon reviewing the student's age and transcripts, according to the student's age-grade correlation as follows:

Elementary: K 1 2 3 4 5 6 7
Secondary: 8 9 10 11 12

Grade placement based on age of the student as of December 31.

Grade	K	1	2	3	4	5	6	7	8	9	10	11	12	Adult
Age	5	6	7	8	9	10	11	12	13	14	15	16	17	18+

School Placement

Placement of international students is subject to assessment by Board officials and is subject to available and appropriate spaces and programs in schools. Students will normally be placed in age appropriate grades. Students 18 years of age or older are normally placed in adult education centres.

International students will be placed in a regular academic program and may receive English Language Learning support based on assessment results and available programs. International students are not eligible for designated programs and services (e.g. special education or restricted enrollment programs) or alternate programs. If students are found to have special needs after enrollment in the program, the Board will not be able to accommodate those needs and the student must withdraw.

INSTRUCCIONES PARA COMPLETAR LA SOLICITUD

Los folletos y formularios de solicitud traducidos se proporcionan como referencia únicamente. Vancouver School Board siempre sigue las políticas y definiciones según se establecen en la versión en inglés de los folletos y formularios de solicitud.

Requisitos para realizar la solicitud

Envíe los siguientes elementos requeridos para presentar su solicitud:

1. Formulario de solicitud completo.
2. Todos los registros de calificaciones/expedientes académicos originales del **año en curso** y de los **dos últimos años** (en inglés).
AVISO: Las fotocopias de registros de calificaciones y expedientes académicos **deben estar certificadas** con el sello de la escuela. El incumplimiento de este punto tendrá como resultado el retraso o la devolución de la solicitud.
3. Cuota de solicitud no reembolsable de CDN\$200.00 que se puede pagar por medio de VISA, Master Card, cheque o giro bancario a nombre de Vancouver School Board.

Criterios de admisión

La admisión en el Programa de Educación Internacional es por medio de invitación y se basa en los logros académicos globales. La admisión de cada solicitante en el Programa de Educación Internacional y su posterior colocación en una escuela estarán determinadas por:

- (a) los antecedentes académicos del (de la) solicitante y su situación académica actual según se indica en los registros de calificaciones/expedientes académicos.
- (b) la disponibilidad de espacio en el Programa de Educación Internacional.

Haga su solicitud lo antes posible, ya que el espacio en el Programa de Educación Internacional está limitado, y se requiere de varias semanas para la tramitación de solicitudes internacionales. Se dará acuse de recibo a todos los solicitantes y normalmente se avisará a los solicitantes en el transcurso de 10 días hábiles si se les puede ofrecer o no colocarlos en una escuela de Vancouver.

Inscripción y orientación

A todos los estudiantes que hayan sido aceptados y confirmados se les solicitará que se inscriban en la oficina de educación internacional antes de asistir a la escuela. Los estudiantes asistirán a una orientación y evaluación, y se llevará a cabo la selección de cursos y la asignación de horarios. Los estudiantes que vayan a comenzar la escuela en septiembre deben hacer planes para llegar a Vancouver a mediados de agosto.

Escuelas

Muchas de las escuelas del distrito escolar público de Vancouver aceptan estudiantes internacionales. Hay un folleto que contiene los perfiles de todas las escuelas secundarias, y éste está disponible en la oficina internacional. La colocación en escuelas primarias está limitada a la disponibilidad de programas adecuados y de grados escolares.

Los solicitantes pueden indicar su preferencia por una escuela o escuelas en particular, o pueden solicitar a VSB que los coloque en escuelas adecuadas. VSB intentará satisfacer la preferencia de escuela del (de la) solicitante, siempre y cuando la escuela solicitada tenga espacio y un programa adecuado. Vancouver School Board se reserva el derecho de tomar la decisión final con respecto a la colocación del (de la) solicitante en una escuela y en un programa.

Asignación de grado escolar

VSB colocará al (a la) estudiante en el grado final adecuado después de revisar su edad y su registro de calificaciones, según la correlación de edad-grado del (de la) estudiante de la siguiente manera:

Primaria: K 1 2 3 4 5 6 7
Secundaria: 8 9 10 11 12

Asignación de grado con base en la edad del (de la) estudiante a partir del 31 de diciembre.														
Grado	K	1	2	3	4	5	6	7	8	9	10	11	12	Adulto
Edad	5	6	7	8	9	10	11	12	13	14	15	16	17	18+

Asignación de escuela

La colocación de estudiantes internacionales está sujeta a una evaluación por parte de miembros del Consejo y está sujeta a espacios y programas disponibles y adecuados en las escuelas. A los estudiantes normalmente se los colocará en grados según su edad. A los estudiantes de 18 años de edad o mayores generalmente se los coloca en centros de educación para adultos.

A los estudiantes internacionales se los colocará en un programa académico normal y podrían recibir apoyo para el aprendizaje del idioma inglés con base en los resultados de su evaluación y la disponibilidad de programas. Los estudiantes internacionales no califican para programas y servicios designados (por ejemplo, programas de educación especial o de inscripción restringida) o programas alternativos. Si se descubre que un(a) estudiante tiene necesidades especiales después de haberse inscrito en el programa, el Consejo no podrá satisfacer esas necesidades y el (la) estudiante deberá retirarse.

Short Term Program

The Vancouver School Board also offers short term school programs of 3 to 8 months, depending on available spaces, that introduce international students to Canadian school life. The application fee for short term programs is C\$200 and tuition fee is \$1450 per month. International students normally will not achieve academic credits as a full academic school year cannot be completed. Short-term programs must include either September or June.

Homestay Accommodation

The Vancouver School Board offers international students aged 13 and over the option to live with a Canadian family while enrolled in a Vancouver public school through our partner, Langara College Homestay. An information package will be sent to the student once the student is accepted into the program. If you do not have a custodian, you can request that your host parent be your custodian.

Custodian

Secondary School Applicants:

Parents of all secondary students are required to appoint a custodian 25 years of age or older, in the Vancouver area, who will take responsibility for their child and will ensure that his or her accommodation and other living necessities such as food, clothing and transportation are provided. Students must live with a responsible adult who is their custodian or their homestay parent. If you do not know anyone living in the Vancouver area who can act as custodian, the Vancouver School Board has made a special arrangement with homestay providers to act as custodians for students, if requested. Accordingly please indicate on this application form that you request a host family placement from Langara College Homestay.

Elementary School Applicants:

All elementary students must live with a parent or immediate adult family member: grandparent, aunt or uncle while studying in the Vancouver school district.

Study Permit

Applicants must obtain a study permit before leaving their country of residence to attend school in the Vancouver public school district. It is the responsibility of the applicant to obtain a study permit from the Canadian Embassy, or Canadian Consulate **in the country where the applicant resides**. Please consult the Embassy office for detailed information.

Health and Accident Insurance

Comprehensive health and accident insurance is mandatory in British Columbia. Every international student must have this coverage while studying in Vancouver. International students are entitled to medical and hospital benefits through the government Medical Services Plan (M.S.P.). It is the Vancouver School Board's requirement that its international education program administer registration of provincial medical insurance coverage for all students enrolled in the International Education Program. The annual payment is assessed and paid with the tuition fee. Private medical insurance will be provided for the first three months and for additional health insurance coverage, as needed.

Los folletos y formularios de solicitud traducidos se proporcionan como referencia únicamente. Vancouver School Board siempre sigue las políticas y definiciones según se establecen en la versión en inglés de los folletos y formularios de solicitud.

Por favor póngase en contacto con la oficina de la Embajada para obtener información detallada.

Seguro médico y contra accidentes

El seguro integral médico y contra accidentes es obligatorio en la Colombia Británica. Todos los estudiantes internacionales deberán tener esta cobertura mientras estén estudiando en Vancouver. Los estudiantes internacionales tienen derecho a prestaciones médicas y hospitalarias a través del Plan de Servicios Médicos (M.S.P. por sus siglas en inglés) del gobierno. Es requisito de Vancouver School Board que su programa de educación internacional administre la inscripción a la cobertura del seguro médico provincial para todos los estudiantes inscritos en el Programa de Educación Internacional. El pago anual se evalúa y se paga junto con la cuota de colegiatura. Se proporcionará seguro médico privado durante los primeros tres meses y para cobertura médica adicional, según sea necesario.

I understand that international students aged 12 years or younger are accepted only if the following conditions are satisfied:
